

VALCIK'S

REAL ESTATE UPDATE

Jeffrey A Valcik and Associates affiliated with Windermere Real Estate/Greenwood, Inc. has specialized on Queen Anne Hill since 1986 with over 600 documented sales all the while supporting this fantastic community by volunteering for the Queen Anne Helpline, Queen Anne Little League, Chamber of Commerce and more While raising his twin boys born in 2000.

I have enclosed all the Pending and Sold homes with every real estate company and price range in our neighborhood within the last 30 days. I think you'll find it quite interesting. The information is not guaranteed to be error free and should not be relied upon exclusively. However, it is an excellent broad based indicator of pricing trends. Remember, many factors influence price, especially on a Hill and square footage provides only a partial measure of a home's value.
